

Notice of a Change in the Rates, Rules and Regulations of La Plata Electric Association, Inc.

You are hereby notified that the above named cooperative utility proposes to make the following changes in its rates, rules and regulations to become effective April 1, 2018.

Removal of RL19 from LPEA Rate Tariffs; redefined as voluntary/optional participation Local Renewable Projects Program:

<u>Customer Category</u>	<u>Billing Units</u>	<u>Present Rate</u>	<u>New - Program Participation</u>
Local Renewables	Local renewable projects	\$0.09	Voluntary contribution

Copies of the removed rate schedule is available for review on the Cooperative's website at www.lpea.coop or at the below described business offices:

Durango Main Office
45 Stewart St. (Bodo Park)
Durango, CO 81303

Pagosa Springs District Office
603 S. 8th. St.
Pagosa Springs, CO 81147

The La Plata Electric Association, Inc., Board of Directors approved the above rate changed by motion on January 17, 2018, at the regular LPEA Board meeting. Consumers who have questions concerning any of the proposed changes may call La Plata Electric at (970) 247-5786. Anyone who desires to complain about the proposed changes may file a written complaint with La Plata Electric Association, P. O. Box 2750, Durango, Colorado 81302 pursuant to Board Policies 363 and 364.

This notice is published pursuant to C.R.S. Section 40-9.5-106 and Board Policy 364. Under the statute, this public notice is provided at least 30 days before the new rates will take effect on April 1, 2018.

Michael Dreyspring,
Chief Executive Officer
