

LA PLATA ELECTRIC ASSOCIATION, INC.
DURANGO, COLORADO

Board of Directors Policy

Subject: Renewable Generation Funds		Policy No: 361	
Original Issue: 12/19/07	Last Revised:6/16/10	Last Reviewed:6/16/10	Page 1 of 1

I. OBJECTIVE

To support and encourage the advancement, development, and installation of renewable generation projects in the service territory and region utilizing voluntary renewable generation funds from participating members.

II. POLICY

- A. LPEA will offer renewable generated power purchases to customers per the Renewable Rate Tariff R18. Funds from the above purchases will be utilized to purchase Tri-State Voluntary Renewable Resource Service per Rate Schedule R., or from other sources that are available and registered.
- B. LPEA will offer to customers the option to contribute to local renewable generation per the Local Renewable Rate Tariff RL19. Funds from the above purchases will be distributed to the following:
 - 1. The purchase of local Renewable Energy Certificates (RECs), or
 - 2. Local renewable generation projects.
- C. Staff will develop a quarterly report on the renewable generation contributions received and funds distributed.

III. RESPONSIBILITY

The Chief Executive Officer is responsible for the administration of this policy.
