

# Why is Sunnyside Community Solar a bright idea?

Learn more through our FAQs

## Process & Timeline

First, you need to apply!

- **Application Period: July 1 – August 29, 2024**  
If you think you may income-qualify, you will apply through our partner, 4CORE, at [www.fourcore.org/sunnyside](http://www.fourcore.org/sunnyside). If you'd like to sign up for the general membership program, apply with LPEA at [www.lpea.coop/sunnyside](http://www.lpea.coop/sunnyside).
- **Enrollment Period: September 2024**  
Staff will work with members to determine subscription amounts, costs, and sign subscription contracts.
- **Subscription: November 2024 – March 31, 2029**  
Members will receive credits on their electric bills corresponding to the amount of kilowatt-hours (kWh) produced by their subscription each month starting on their October bill. General membership subscribers will see their monthly subscription fee starting on their November bill, reflecting the October charges.

## More Details

- **What happens after I apply?** After submitting your application, you will receive a verification email confirming receipt and then it will undergo review and verification to ensure eligibility. LPEA will conduct the lottery after the application window closes on August 29, 2024 and will be in touch during the month of September with subscription sizes and final agreements.
- **When will I find out if I've been accepted?** September 2024.
- **What happens if the program is over subscribed?** If the program is over subscribed when the application window closes on August 29th 2024, LPEA will conduct a lottery to allocate subscriptions.
- **What if I wasn't selected in the lottery?** Members who aren't selected in the lottery, will be placed on a waiting list and will be contacted if future capacity opens up.
