Board of Directors Policy

Subject: Delegations of Authority from the Board of Directors to the Chief Executive Officer			Policy No: 103
Original Issue: 3/17/93	Last Revised: 1/22/2025	Last Reviewed: 1/22/2025	Page 1 of 13

I. OBJECTIVE

To define the delegations of authority from the Board of Directors to the Chief Executive Officer (CEO) to enable the CEO to adequately direct the business of La Plata Electric Association, Inc. (Cooperative) and to report to the Board on the results achieved.

II. POLICY

It shall be the policy of the Cooperative to achieve the above objectives by delegating the following duties to the CEO:

A. Planning

1. Policies

To formulate the policies of the Cooperative and to recommend said policies to the Board of Directors for their consideration. Such policies shall be reviewed by the CEO as necessary and a recommendation made on any revisions required.

2. Objectives

To develop with the Board goals and objectives and plans and programs designed to meet those goals and objectives and to review annually these objectives and goals, as well as the results achieved, with the Board or a committee of the Board.

3. Long and Short Range Plans

To conduct studies when necessary and recommend to the Board short and long-range plans, including plans in such areas as system studies, engineering work plans, power requirements and load forecasts, financial forecasts, energy management, member and public relations, construction, facilities, marketing, wildfire management, and the like and to report to the Board on results compared to such plans.

4. Membership Services

To develop plans for annual and other meetings of the Cooperative, establish a communications and community outreach plan, and to make appropriate recommendations to the Board, or a committee of the Board.

5. Work Plans and Budgets

To formulate annual work plans and budgets for the Cooperative and to recommend such plans and budgets to the Board or a committee of the Board for its consideration, and to provide detailed reports on revenue, expenses, and other results compared to such plans.

6. Legislation

To analyze and determine what federal, state, and local legislative and regulatory matters should be proposed, supported, or opposed consistent with established Board policy and in coordination with other organizations.

7. Retail Rates and Service Rules and Regulations

To periodically study and analyze the Cooperative's rates and service rules and regulations to make sure they meet current operating requirements and to make appropriate recommendations to the Board.

B. Organization Structure, Employee Relations, and Employee Development

1. Organization Structure

a. To periodically review activities of the Cooperative and to determine the organizational structure best suited to carry out the overall objectives of the Cooperative within the limitations of the budget.

b. To determine the need for additional positions, the transfer, reassignment, or elimination of present positions, and to effect such changes, provided they are within the limitations of the personnel costs of the approved budget.

2. Management of Personnel

a. To develop or approve standards and qualifications for use in recruitment, transfer, and promotion of personnel. Such standards and qualifications will meet all federal, state, and local legal requirements.

b. To select, hire, appoint, transfer, promote, incentivize, discipline, and terminate personnel.

3. Safety

a. To provide a safe and healthful place to work and to comply with all applicable federal, state, and local laws, rules, and regulations regarding employee health and safety.

4. Training

a. To ensure that the staff members are trained in accordance with the qualifications and requirements of their positions.

b. To initiate and promote training programs for all personnel within limitations of the approved budget, including sending personnel to training programs outside the organization.

5. Performance Appraisals

a. To appraise, at least annually, the performance of management staff members and to counsel with them and assist them to develop and improve.

Board of Directors Policy

Original Issue: 3/17/93	Last Revised: 1/22/2025	Last Reviewed: 1/22/2025	Page 4 of 13

b. To ensure that a performance appraisal program is established and carried out for all personnel and that adjustments for those outside the bargaining unit are based on merit.

6. Position Descriptions

To ensure that written position descriptions and job specifications are prepared and reviewed as necessary for all personnel and are in compliance with all applicable federal, state, and local laws, rules, and regulations.

7. Benefits

To administer and to approve activities and actions with respect to vacations, holidays, sick leave, and other benefit programs for the personnel within established policies and within the limitations of the budget.

8. Wage and Salary Administration

- a. To ensure that a wage and salary plan is updated annually.
- b. To determine all salary adjustments, except the CEO's, in accordance with a wage and salary plan and within the limitations of the budget, including merit and incentive bonuses.
- c. To evaluate new positions and re-evaluate existing positions, if their responsibilities and authorities substantially change, and, as a result of such evaluations or re-evaluations, to include these positions in a wage and salary plan.

9. Labor Relations

- a. To negotiate and enter into, with consulting assistance, labor contracts based on input from the Board.

- b. To administer the approved labor contract and see that the appropriate supervisors understand the provisions of the contract and its administration.

C. Operations

1. Overall Administration

- a. To direct the day-to-day operations and activities of the Cooperative except as specified otherwise by the bylaws or the Board; to delegate authority to immediate staff; to authorize further delegation of authority to any level of management with full recognition that the CEO cannot be relieved of overall responsibility or accountability to the Board of Directors.
- b. To execute and deliver on behalf of the Cooperative any nondisclosure agreements (NDA) as may be a necessary part of doing business with third parties. The Board specifically authorizes the CEO to enter into NDAs on behalf of the Cooperative to bind the Board and all personnel. The CEO shall notify the Board of Directors of NDAs that concern Board information and decisions, either at the next regularly scheduled meeting or through special notice, if necessary and provide a copy of the executed document upon request.
- c. To manage operations of the Cooperative in accordance with policies and procedures of the Board and in accordance with policies and procedures of applicable lending institutions; and applicable federal, state, and local laws, rules, and regulations.
- d. To designate an appropriate person to serve as acting CEO in the absence, without contact, of the CEO. In case the CEO becomes incapacitated, the Board president, in consultation with the Executive Committee, shall appoint an acting CEO to serve temporarily until the

Board of Directors takes appropriate action, at a meeting to be convened as soon as possible.

- e. To ensure that staff advice and assistance is provided to the Board and its committees, and to participate in the deliberation of these committees as requested or required.
- f. To select and appoint specialized consultants, other than the firm performing the independent financial audit and the regular Cooperative attorney, for services including but not limited to legal services which the Cooperative attorney is unable to provide, engineering services, accounting services, management consultants, cost of service and rate consultants, and information technology consultants. The CEO shall provide for consulting services in the annual operating budget.
- g. To accept invitations to participate in or designate other staff members to participate in national, regional, state, and local meetings which further the best interests of the Cooperative within the limitations of Board policy and the approved budget. Participation by the CEO in such activities, which requires considerable time over a sustained period, shall require the approval of the Board.
- h. To serve as the authorized spokesperson for the Cooperative on national, regional, state, and local matters and to keep the Board and staff up to date and well informed on such matters.

2. Membership Services

- a. To direct membership services in such areas as, but not necessarily confined to, public and member relations, load management, economic development, marketing, communications, and research and approve of all communication by the Cooperative to its members.
- b. To arrange for member satisfaction surveys, town hall events, focus groups and other techniques to measure members' satisfaction and

needs assessments to determine member interest in additional products or services that might be offered by the Cooperative.

3. Legislation

- a. To develop and carry out, in coordination with organizations such as CREA and NRECA, and in consultation with the Board, a legislative program furthering the Cooperative's objectives and policies. Such a program will include, but not be limited to, research, preparation and presentation of testimony before appropriate committees, consultation with members of Congress, the state legislature, and federal, state and local administrative and regulatory agencies.
- b. To participate with allied groups to obtain their increased understanding and support of the Cooperative's legislative and regulatory objectives and programs.

4. Financial

- a. To make expenditures and approve contracts and purchase orders in accordance with the approved budget.
- b. To make non-budgeted expenditures up to 0.25% of budgeted annual operating revenue and patronage capital per fiscal year. Non-budgeted expenditures exceeding the foregoing annual aggregate must be presented to the Board for approval.
- c. The CEO may make non-budgeted expenditures exceeding 0.25% of budgeted annual operating revenue and patronage capital per fiscal year which, in the judgment of the CEO, are vital to effect unanticipated emergency maintenance or repairs. To invest or reinvest funds, cash investments when due, and cash government bonds, when and if necessary to protect the Cooperative's program, consistent with Board policy.

- d. To authorize and approve the travel expenses of personnel, except the CEO, on company business within the limitations of the budget and within established policy. Such expenses shall be supported by itemized expense accounts with receipts attached as appropriate. Expenses of the CEO will be reviewed by the Executive Committee and approved by the President of the Board with a quarterly report presented to the full Board. Expense account reports shall not be public information and shall not be given to others outside of the Board of Directors.
- e. To approve accounting systems, procedures, statistics, and types of reports necessary for sound financial management and to meet the requirements of lending and regulatory agencies and for necessary control information required by the Board.
- f. To independently assess the adequacy, effectiveness, and efficiency of the systems of control within the Cooperative and the quality of ongoing operations against policies and procedures established by management and/or the Board, and rules of applicable lending institutions; as well as applicable federal, state, and local laws, rules, and regulations.
- g. To purchase or lease all equipment, vehicles, hardware, furniture, materials, and supplies within the guidelines of the budget. All purchases of major equipment or large quantities of materials for transmission or distribution lines, substations, and associated facilities shall be done with competitive bids when applicable. Purchases should obtain the “best overall value” to the Cooperative. Considerations of “best overall value” include price, reliability of product or service, customer service, availability, energy efficiencies, vendor reputation, location within the cooperative service territory, and cooperative membership. Capitalized purchases will be reported to the Board quarterly.

- h. To approve and sign change orders under contracts previously approved under Section II.C.4.a if less than \$100,000. All such changes are to be reported to the Board at the next Board meeting.
- i. To determine the amount of and establish proper control of all physical inventories to minimize investment in inventories needed to meet operating and construction needs; and to ensure that a system is established to accurately account for all materials used.
- j. To determine insurance coverage required for effective risk management and to negotiate purchase of such coverage.
- k. To execute and deliver on behalf of the Cooperative agreements essential to the management of the Cooperative, such as affidavits, agreements, to acquire by purchase or lease all easements and substation sites, generation and transmission facilities, and right-of-way transactions.
- l. To negotiate franchises and execute all petitions and documents subject to Board approval, deliver, and accept all documents relating thereto.
- m. To execute and deliver on behalf of the Cooperative agreements between the Cooperative and its subsidiaries that assist in the effective management of both entities or provide services valuable to the entities, such as easements and right-of-way transactions, provided that, in the CEO's opinion, the granting of the easement will not impair the use of the Cooperative's property.
- n. To execute and deliver all environmental studies and reports; to make applications for all permits relating to the operations of the Cooperative; to design, route, and determine the site for all facilities.

- o. To perform all acts necessary or incidental to the management of the operations of the Cooperative, unless such acts are specifically reserved to the Board pursuant to law, the Articles of Incorporation, the bylaws, or policies.

5. Reporting Requirements

a. Operations

To submit periodic and special reports to the Board on conformity of operations with approved policies and programs; to recommend any revisions requiring Board approval and to direct any remedial action required.

b. Finances

To submit monthly financials and quarterly and annual financial reports and special financial reports as needed to the Board to keep them informed of the Cooperative's financial position and conformance to financial plans and forecasts, and to see that all persons having access to cash or responsible for purchasing of materials are properly bonded in accordance with all requirements of the applicable lending agencies.

c. Budgets

To report monthly to the Board on revenues and expenditures compared to budget. To recommend any revisions required, and to direct any necessary remedial action.

d. Annual Financial Audit

To participate with the Board in the review, with the auditor present, of the annual financial audit and management letter and to direct any remedial action required and to ensure that the management letter, along with the audit report, is sent to each Board member prior to the meeting at which they are to be discussed.

e. Member Complaints

To submit quarterly to the Board an analysis of member opportunities and to take any corrective action required.

f. Member Meetings

To report to the Board an analysis of the effectiveness of annual and other member meetings with recommendations on any improvements which can be made.

g. Reliability of Service

To submit quarterly service reliability reports to the Board and any remedial action taken.

h. Bylaws

To report to the Board, or a committee of the Board, on periodic review with the general counsel of the bylaws and to recommend any revisions required.

i. Availability of Power Supply

To report periodically to the Board of load growth compared to the power requirements studies and to recommend plans to meet anticipated growth to ensure an adequate and reliable supply.

j. Rates

To continually study power and other costs compared to projections and to recommend to the Board, as far in advance as possible, any changes in retail electric rates necessary to maintain financial strength and stability and to meet all requirements of lending and regulatory agencies.

k. Consultants

To report to the Board at least quarterly on services provided and the fees received by principal consultants.

l. Construction

To review construction practices to make sure projects are being constructed in accordance with applicable construction standards and best practices.

m. Benefits

To report to the Board annually on employee benefit programs.

n. Safety

To report to the Board monthly on safety including, but not be limited to, the accidents occurring during the period following the last report and the loss prevention activities engaged in by the Cooperative.

o. Wildfire Mitigation

To report to the Board at least annually on wildfire mitigation plans, actions, and compliance with applicable laws.

III. OTHER ORGANIZATIONS

- A. Serve on the Board of Directors or represent the Cooperative at other organizations as assigned or approved by the Board.
