Timer rebates are available for any device controlling electric equipment (including but not limited to heating/cooling, water heaters, heat tape, pumps/motors & significant lighting loads). (Timers for gas or propane heating do not qualify.) These devices may include digital or analog timers, programmable thermostats, smart thermostats, or other load-control systems. While not required, members are encouraged to schedule these devices to avoid operating during LPEA peak hours to take full advantage of potential savings. LPEA peak times are 6-9am & 4-10pm.

To apply for Timer or Thermostat Rebate, you must submit the following within 90 days of either purchase or Certificate of Occupancy, if new construction:
