Timer rebates are available for any device controlling electric equipment (including but not limited to heating/cooling, water heaters, heat tape, pumps/motors and significant lighting loads). Timers for gas or propane loads do not qualify. These devices may include digital or analog timers, programmable thermostats, smart thermostats, or other load control systems. While not required, Co-Op members are encouraged to schedule these devices to avoid operating during LPEA peak hours to take full advantage of potential savings. LPEA peak times are 6-9am & 4-10pm.

To apply for Timer or Thermostat Rebate Application, you must submit the following within 90 days of purchase:

- Completed and signed application
- Receipt / Proof of Purchase
