Timer rebates are available for any device controlling electric equipment (including but not limited to heating/cooling, water heaters, heat tape, pumps/motors and significant lighting loads). **(Timers for gas or propane heating do not qualify.)** These devices may include digital or analog timers, programmable thermostats, smart thermostats, or other load control systems. While not required, Co-Op members are encouraged to schedule these devices to avoid operating during LPEA peak hours to take full advantage of potential savings. LPEA peak times are 6-9am and 4-10pm.

To apply for Timer or Thermostat Rebate Application, you must submit the following within 90 days of purchase:
