

**RESOLUTION**

**2014-28**

**WHEREAS**, La Plata Electric Association, Inc. (“LPEA”) approved a Community Solar Garden licensing agreement for Armadillo Community Solar Garden, LLC (“CSG”) signed on June 27, 2014; and

**WHEREAS**, the CSG has built or will build a “Project” located at 1555 Colorado Highway 3, Durango Colorado, with a 49kW nameplate capacity generator, which is expected to generate 70 megawatt hours each year, in conformance with the Community Solar Garden licensing agreement, LPEA’s bylaws, policies, resolutions, and any other agreements or guidelines related thereto; and

**WHEREAS**, LPEA and the CSG wish to enter into a purchase power agreement to outline the parties’ agreement related to purchasing the power generated by the Project; and

**WHEREAS**, LPEA and the CSG also wish to enter into a Renewable Project Performance Payment Contract to provide for the management, tracking, and payment of environmental attributes generated by the CSG; and

**WHEREAS**, LPEA and the CSG recognize that LPEA shall also enter into companion contracts to the above referenced agreements with LPEA’s wholesale power supplier, Tri-State Generation and Transmission Association, Inc. (“Tri-State”) related to the Project.

**NOW THEREFORE BE IT RESOLVED** by the LPEA Board of Directors, that the Chief Executive Officer be, and hereby is, authorized to execute, subject to legal review, a power purchase agreement and Renewable Project Performance Payment Contract between LPEA and Armadillo Community Solar Garden, LLC for the above described Project.

I, Jeff Berman, Secretary of La Plata Electric Association, Inc., do hereby certify that the above is a true and correct copy of a resolution adopted by the Board of Directors of La Plata Electric Association, Inc., at a regular meeting held in Durango, Colorado, on October 15, 2014 at which meeting a quorum of directors was present and voting.
