

Energy Outreach Colorado

Helping all Coloradans afford home energy.

You can help...

As the seasons begin to change and the weather chills, Energy Outreach Colorado endeavors to warm hearts.

The only independent, non-profit organization in the state that raises funds to help income-limited Coloradans afford home energy, Energy Outreach Colorado relies on tax-deductible private donations, corporate contributions and foundation grants to literally help keep the lights on for our friends and neighbors.

La Plata Electric Association supports Energy Outreach Colorado and its efforts. Since 1989 the organization has distributed more than \$78 million to fund energy bill payment assistance, energy efficiency upgrades for affordable housing and energy efficiency education. Please visit www.energyoutreach.org for further information.

We invite you to be a part, and if you wish to help, please contact LPEA at 247.5786 for donation options, or check one of the boxes below and return this slip with your monthly payment.

At La Plata Electric, we're 'thinking outside the bulb' to make our community stronger. Thank you for your support.

Yes, I want to help!

Please add my monthly donation of \$_____ to my monthly LPEA statement

Please add a one-time donation of \$_____ to my next LPEA statement
